

EP Series

Cold Water Pressure Washers

Electric / Direct Drive

#1 in North America for High-Pressure Cleaning Equipment

Easy to understand **operating instructions** and warnings

A **36-ft electrical safety cord** with Ground Fault Circuit Interrupter (GFCI)

Industrial-strength 1725 RPM Baldor Motor with full-service factor and solid performance for years of service

Rugged **all-steel 10-gauge chassis** and protected with an all-weather, epoxy powder coat finish

The reliable **Hotsy direct-drive pump** carries a 7-year limited warranty...best in the industry!

Water resistant **electrical box** for added safety and easy servicing

Five quick-couple nozzles made of hardened stainless steel and color-coded for easy spray pattern selection: 0°, 15°, 25° & 40° and a detergent nozzle.

Insulated, fatigue-free spring-loaded **trigger gun** with detachable, two-piece, insulated spray wand make for easy point-and-shoot cleaning action

Hose and gun hanger keeps spray wand and hose safely stored

50-ft of steel-wire braid **high-pressure hose** rated for up to 3000 PSI and with 24-inch **hose guard** for burst protection and swivel swedge fitting for ease in handling

10" 2-ply tubed pneumatic tires for easy maneuvering

Two **rubber pad feet** absorb vibration and keep machine from "walking"

Quick-couple **detergent injection** allows for easy application of soap

Durable pressure trapping **unloader** diverts water flow when trigger gun is not activated

Thermal pump protector to prevent excessive heat or pressure build-up for added safety

FEATURES

- 1.5 to 5 HP Baldor motors
- 2 to 3.5 GPM / 1000 to 2000 PSI
- Compact, lightweight design
- Hotsy 7-yr pump warranty

Dimensions: 35"l x 21"w x 24"h

DON'T FORGET THE SOAP!

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.
